Thank you for your generous support of TroopsDirect. Your \$630.00 contribution will be a great asset as we continue to supply our American forces around the globe. Additionally, we are very proud of the fact that over 90 cents of every dollar that we receive goes directly to helping get the troops what they need.

No goods, services or other considerations were provided by TroopsDirect to this donor in exchange for this contribution. Please retain this email for your tax purposes noting that the TroopsDirect EIN number is 27-3046842.

Again, thank you for your support and please share our unprecedented mission with all that you know.

Respectfully,  
TroopsDirect
