Thank you for supporting the Doreen Katz Memorial Cancer Foundation and our Third Annual Charity Golf Tournament! One hundred percent of these proceeds are used to help children whose parents are either battling cancer or have lost that battle. We are committed to our goal of making sure that Cancer doesn't cancel futures and we could not do it without the support of donors like you!

Thanks to your participation, the Foundation will continue working with our now twelve families in Colorado with the potential to add another in the coming weeks with the proceeds from that event!

The following summarizes your contribution:
