Subject: Thank You for Your Donation!

Thank you Jonah Martin!

Your generous support of TroopsDirect today totaling \$1,056.00 will be a great asset as we continue to supply our American forces around the globe. Over 150,000 Americans serve overseas in 130 countries and your support enables TroopsDirect to supply them with any critically needed equipment that they require to get their mission done and to return home safe.

No goods, services or other considerations were provided by TroopsDirect to this donor in exchange for this contribution. Please retain this email as a .pdf copy of your receipt is attached for your tax purposes.

Again, thank you for your support and please share our unprecedented mission with all of your friends and family.

Respectfully,

Aaron Negherbon
